- [Click here to register.](#)

The ICC Group Dinner with Jean:

Thursday, October 10, 2013

The ICC Group Dinner is a tradition and special opportunity to have dinner with Jean, WCSI Board and Faculty members plus others in conjunction with the conference. You must make your reservation for the group dinner in advance. Please select the second option.

Dr. Jean Watson invites you to apply..

WCSI's Caritas Coach Education Program

October 12-13, 2013

A Caritas Coach is a knowledgeable, experienced, reflective health care professional, who is prepared and committed to personally and professionally practice and model intelligent heart-centered approaches to health care by translating and sustaining the ethic, philosophy, theory and practice of the Science of Human Caring into our systems and society.

CCEP is a dynamic six month learning experience that begins and ends with a two-day, in-person intensive seminar (April & Oct) and which provides one-on-one mentoring with distinguished WCSI faculty with the purpose of supporting the student in developing/implementing a project that brings forward Caritas concepts into daily practice. CCEP is accredited as a Nursing Skills Competency Program by the American Nurses Credentialing Center (ANCC). Graduates receive 58 contact hours. [Click here to apply.](#)

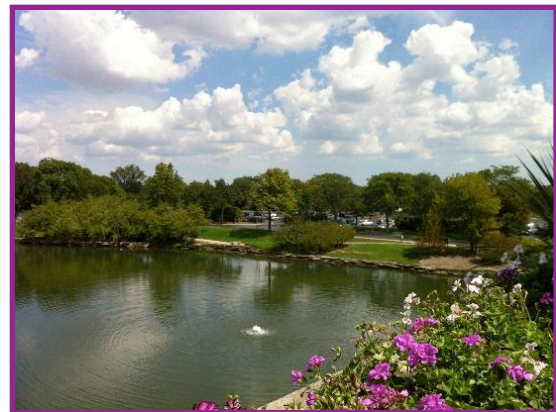

Registration Deadline: August 31, 2013

Contact Jan Anderson, jan@watsoncaringscience.org for more information.

Accommodations

Come join us in our landscaped forest preserve, complete with private lake for something unique among Chicago hotels. While the McDonald's campus is located in suburban Chicago, you still have access to the lights of the big city.

Special ICC Rates:

\$145 per night king or double room
The Hyatt Lodge at McDonald's Campus

2815 Jorie Boulevard
Oak Brook, IL USA 60523-2161

T: 888-421-1442
