Caritas Coach Education Program®

From Professional Caring Nurse/Health Care Provider/Educator to Caritas Coach®

The Caritas Coach Education Program (CCEP) is a unique, six-month program offered by the Watson Caring Science Institute and based in Jean Watson's Unitary Caring Science. Join the growing number of Caritas Coaches who are leaders in restoring the heart in health care.

Through a formal application process, a new cohort of students will be admitted to the October 2019 program.

Cohort 22 will be held October 18-20, 2019 in San Francisco, CA

✿ There is also an *optional* International Caritas Consortium, October 17-18, 2019 to celebrate 40 Years of Caring Science sponsored by Kaiser Permanente two days before CCEP. The ICC requires a separate registration and tuition. [MORE INFORMATION.](#)

CCEP Program Overview

This intensive and innovative six-month professional development program incorporates interactive online instruction, virtual small group intensives, and an assigned Caritas Coach faculty coach. You will be required to complete weekly reading and writing assignments online, attend two, in-person, on-site intensive seminars and complete a Caring Science project, abstract, poster and portfolio. You will be guided through CCEP with a faculty coach with whom you will meet at least monthly.

Through dynamic inquiry and collaborative, compassionate dialogue, you'll explore Caring Science in community and integrate what you have learned to transform your personal and professional life practices toward deeper meaning, purpose, and wholeness. As a Caritas Coach, you'll return to your setting with new insight, intellect, and skills to give voice as 'living caritas': more able to translate and live-out the theory and philosophy of human caring-healing, in service for deep system change.

This continuing nursing education activity was approved by the American Holistic Nurses Association (AHNA), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

AHNA Approval #1301. The total contact hours offered for CCEP is 225 hours. CCEP is recognized by the Commission on Accreditation (COA) as an ANCC Nursing Skills Competency Program. Expiration date: September 24, 2021.
