Call for presentations

As a new decade opens, Caritas care providers are invited to attend the 26th International Caritas Consortium in order to:

- Explore possibilities of "what might be" as we "throw" the road out ahead with an expanded world-view of Caritas-Veritas through Unitary Caring Science.
- Inspirit self, others, organizations and communities through deepening our relationships collectively in scholarship, shared learnings, and solution seeking
 - Poster/Podium presentation abstracts due by May 1, 2020
 - For more information or to submit abstract, please visit:
