Middle Eastern Conference on Nursing and CAring

Aqaba, Jordan

February 2015

We Came from Near and Far

We Arrived As Strangers

We Made Friends with the Locals...

We Went Outside Ourselves...

And "Fell In Love" With Each Other

We Spoke...

...And We Listened

We Discussed....

We Reflected

We Laughed...

We Expressed Gratitude

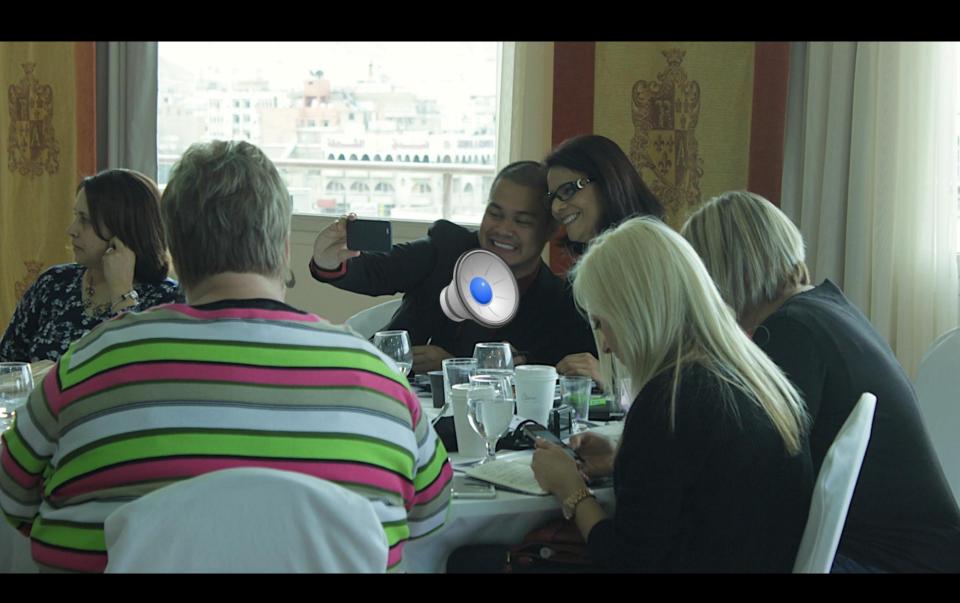

We Took A LOT of Selfies...

We Sent Our Message to the World...

Exchanged Contact Information

We Built A Community that

Defied Borders

And religion

And ethnicity

And creed

And Fears

Because We Believe in Each Other

And Left As Friends
