

Watson Caring Science Institute to host Conscious Dying Institute's 'At The Threshold' Workshop

A Two-Day Immersive Program Exploring Caring Science, Conscious Dying, and Sacred Practice

At the Threshold
Caring Science. Conscious Dying. Sacred Practice.
October 17-18, 2026
9:00 a.m. to 4:30 p.m.

A two-day guided exploration of the sacred practice of accompanying the dying, tending the inner life of the nurse, and discovering how proximity to death can illuminate how we choose to live.

The formation you already carry is not incidental to this work. It is the work. At the threshold of life, caritas finds its deepest home.

Developed in Collaboration with
Watson Caring Science Institute and Conscious Dying Institute

For Whom Caritas Coaches (R), Caring Science Practitioners, Caritas Leaders	Format Two-Day Immersive Grounded in Watson Caring Science and Conscious Dying Principles	Cost \$700 — Sliding scale honored, no one turned away for financial need

ENDS

About the Conscious Dying Institute

The Conscious Dying Institute (CDI) cultivates a wisdom-based, caring, and healing culture of Sacred Passage Doulas of all faiths, beliefs, and cultures. By integrating the healing arts with end-of-life education and training, CDI supports doulas, caregivers, loved ones, and the dying to meet life's thresholds with embodied presence, ritual awareness, and lived healing practices. For more information, please visit consciousdyinginstitute.com.

About Watson Caring Science Institute (WCSI)

The Watson Caring Science Institute (WCSI) is an international non-profit organization that advances the philosophies, theories, and practices of Human Caring/Caring Science, founded by Jean Watson, Ph.D., RN, AHN-BC, FAAN, LL (AAN), WCSI's Founder & Director. Focusing on research, education, praxis, leadership, and legacy, the institute aims to widen the development and understanding of Watson's Caring Science to inform our notion of quality care and healing
